

A Message for Donald Trump From The Lord!

October 16, 2016

On October 16, 2016 The Lord told me to come outside. Once I was outside He told me to take a picture of this specific cloud. I did not know why He specified this cloud, but as I had done in the past I obeyed.

It wasn't until later, as I was looking through the pictures on my phone, that I saw the face of a man!

I immediately recognized this man! I sent the picture to my wife to see if she did too. I expected her to say something sarcastic because she's not really into the whole "cloud thing". I was surprised when she replied almost immediately:

"That's Donald Trump!"

That was exactly who I saw too!

It's not a 100% match up, but close enough to understand who The Lord was talking about.

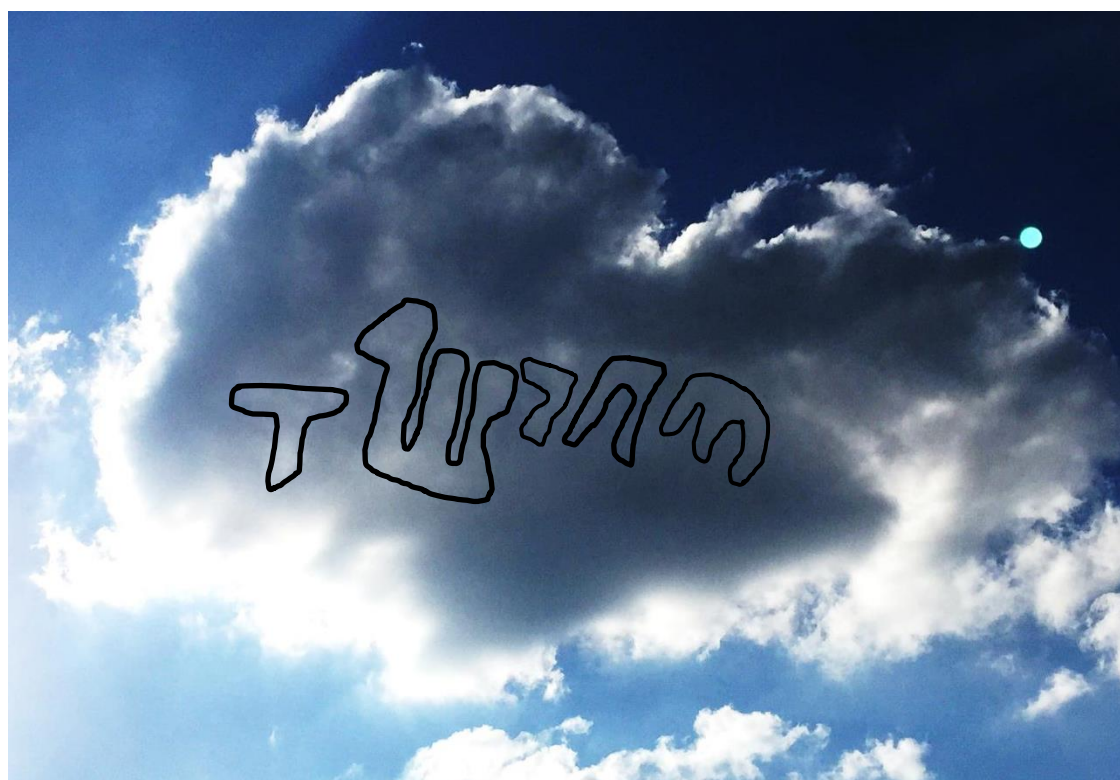

I wondered what this could mean so I began to talk with The Lord about it.

'Lord, why did you show me Donald Trump in the cloud?'

Then He showed me the Hebrew letters in the picture over the man!

The message is written in both modern and ancient Hebrew letters.
I have drawn the letters above the letters in the cloud and then
directly over the letters to make them more easily visible so you can compare.

Here is the modern Hebrew equivalent:

Hebrew is read from right to left, opposite of English.

Here are the letters that are seen beside Donald Trump's Face:

Mem

The first letter is the Hebrew letter Mem. Mem is the equivalent of the English letter M.

This is the ancient form of mem: 

The modern form of mem: 

Chet

The next letter is the letter Chet.

Dalet

The dalet is a bit more difficult to see as it is sandwiched in between the Chet and Shin. Look at the Shin and move to the right and you should see it.

Shin

The letter Shin

Tav

The ancient form of the letter Tav resembles a T or t.

In modern Hebrew Tav looks like this: 

This Tav is below the other letters, which in this particular case denotes that it is another word.

Tav means "Sign" or "Covenant"

The phrase would be read like this:

ת ש ד ח מ

Tav Shin-Dalet-Chet-Mem for Hebrew speaking readers (reading from right to left).

←

or

Mem-Chet-Dalet-Shin Tav for English speaking readers (reading from left to right).

→

These letters translate into the Hebrew phrase

“M’Chadesh Tav”

M’Chadesh means “to renew, to reestablish, to refurbish, to renovate, to rejuvenate; to initiate; to say something new; to renew (a contract or license); to be renewed, to be refurbished; to be renovated”

“M’Chadesh”

To renew, reestablish, refurbish, renovate

to initiate

to renew a contract

to be renewed

to be refurbished

to be renovated

These are all Real Estate terms. Donald Trump renovates real estate.

“to say something new” – to speak in a new way.

“Tav” – Covenant

In Hebrew, the letter **Tav** means “mark, sign, signature; covenant; last”

A covenant is a contract, an agreement, a pledge, in this case, a sacred agreement between God and man.

“M’Chadesh Tav” – to renew, refurbish, renovate, initiate a covenant

Donald Trump, this is a direct call from God Himself - regardless of the election results.

This is what The Lord God says:

Donald Trump:

I have placed your face in the sky so that you will know that I am speaking to YOU.

I have written in terms and language that you can relate to and also as a sign so that others may know and confirm as well: **"M'Chadesh Tav"**

I have seen your comings and goings on the earth.

I know you and I have seen your ways.

I know your true heart, your inner heart, your hidden heart.

I am calling to you.

I, The God of Abraham, Isaac, and Jacob,

The Lord your God,

am calling you, Donald Trump,

to enter into a Covenant Relationship with Me,

Follow in My ways and I will renew your spirit.

Stretch and Reach out for Me and

I Myself will rebuild, renew, renovate, and refurbish YOU.

I will change your heart.

I will change your thoughts.

I will change the speech of your mouth.

Shhhh.....

Be Still...

I will grant you Peace...

I am calling you to Renewal, Refurbishment, and Renovation.

I am calling upon you to Rebuild...

Rebuild yourself through My Spirit and My ways,

Enter into the Joy, Love, and Peace of My Spirit and My Salvation.

Be slow to speak - carefully consider the words of your mouth.

If you ask Me...and be still...and quiet...and listen....

Then...I will tell you what to say.

I Myself will raise you up and enable you,

I Myself will make you strong.

I Myself will build you on a solid and unbreakable foundation.

Through Me you will be able to withstand any earthquake, any disaster.

Follow in My ways and I Myself will bless you and your house.

I will pour out overflowing blessings upon you of a kind that you have not yet known.

I will pour out Blessings upon you like a Waterfall.

Donald Trump, come enter into this covenant with Me,

You will be Mine, and I will be your Ever-present God.

Come...follow Me....
