

America!

05/16/2015

Today, while I was at work, The Lord told me to come outside. I went outside and waited for a few minutes for The Lord. I noticed that the sky started looking strange. The sun became bright and the clouds looked strange, almost like the sun was shining through ice. I could barely see because the light was blinding. I felt the urge to take some pictures of the sky and the sun. It was so bright that I didn't know exactly what I had taken pictures of until I got back inside and looked at the pictures.

The first picture is America in the sky! You can make out New England, Florida, Mexico and the Yucatan Peninsula, Cuba, Haiti, and The Dominican Republic. If you look closely you can even see The Great Lakes, The Mississippi River, Louisiana, and The Florida Keys!

I cleaned up the image to make it easier for you to see America.

If you look closely you can see the Hebrew letter Yod sitting just off the coast of America in the Atlantic Ocean.

The letter Yod represents God's hand. The hand is closed and refers to ownership, as if The Lord is saying "Mine!" But, the hand has moved off America and is now departing into the Atlantic Ocean!

At the same time there is a feather visible near Florida. A feather refers to God's protective wings! This too is moving away from America!

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

2nd Chronicles 7:14

**America! God's blessing and protection are moving off us!
We have a choice to make before it's too late!**
